

Photographer/Videographer

JOB DESCRIPTION

POSITION SUMMARY

The Photographer/Videographer Marketing will assist with all photo and video creative needs of UAB University Recreation (URec) through planning, executing, and collaborating with the Assistant Director of Marketing and Membership. The Photographer/Videographer Marketing Intern will be responsible for capturing, editing and delivering photos and videos to support URec's print and digital marketing materials. This position will work with our Student Marketing team and will directly report to the Coordinator of Engagement and Belonging.

RESPONSIBILITIES

- Work with the Student Marketing team to promote University Recreation's facilities, programs, services, and special events via photos and/or videos.
- Capture engaging photos and/or videos to support the creative process of marketing content for all URec facilities, programs, service, and special events.
- Assist with maintaining a consistent identity of University Recreation by following the departmental brand guidelines while meeting University's marketing requirements.
- Think creatively and develop a robust photo and video library for printed and digital content.
- Assist with scheduling content to be published on social media at ideal times.
- Assist with monitoring the social media channels and activities.
- Assist with managing the University Recreation's social media content calendar.
- Assist with curating social media content for events, stand-alone campaigns, and other projects.
- Other duties as assigned.

ACQUIRED SKILLS

As a result of working as the Photographer/Videographer Marketing, the student will have the opportunity to acquire and further develop their photography and videography skills, communication, time management, attention to detail, adaptability, and customer service skills.

STUDENT LEARNING OUTCOMES

- As a result of working for University Recreation, student employees will develop a sense of community by building relationships through effective communication and teamwork to foster resiliency.
- As a result of working for University Recreation, student employees will be able to demonstrate decision making and problem-solving skills acquired through trainings, experiences, and evaluations.
- As a result of working for University Recreation, student employees will be able to demonstrate professionalism by holding themselves and their coworkers accountable.

- As a result of working for University Recreation, student employees will be given opportunities for professional development to prepare them for future career.
