JOB DESCRIPTION

POSITION SUMMARY
The position of the Social Media Street Team Intern will assist with the overall creative marketing needs of the UAB University Recreation (URec) through planning and executing URec’s program and special event social media coverage. The Social Media Street Team Member will be responsible for direct engagement with URec program and special event participants and they will assist with the distribution of URec’s marketing materials. This position will work with our Student Marketing team and will directly report to the Assistant Director of Marketing and Membership.

RESPONSIBILITIES
- Work with the Social Media Street team to promote University Recreation’s facilities, programs, services, and special events
- Attend URec’s programs and special events and directly engage with participants
- Create engaging social media content by covering URec’s programs and special events
- Maintain a consistent identity of University Recreation by following the departmental brand guidelines while meeting University’s marketing requirements
- Think creatively and develop new ways to engage with URec members
- Assist with scheduling content to be published on social media at ideal times
- Assist with monitoring the social media channels and activities
- Assist with managing the University Recreation’s social media content calendar
- Assist with curating social media content for events, stand-alone campaigns, and other projects
- Other duties as assigned

ACQUIRED SKILLS
As a result of working as the Social Media Street Team Intern, the student will have the opportunity to acquire and further develop their verbal communication skills, time management, attention to detail, adaptability, and customer service skills.
