discussion questions

1.

Can you easily identify the leaders where you work? Do they have any common characteristics? Why do people tend to follow them?

2.

Do you hold any biases of which you're aware? If so, can you identify ways in which they may have impacted your behavior? If not, do you think you may hold biases of which you're not aware?

3.

Do you feel that you're allowed to be your authentic self at UAB? Why or why not? In what ways could you be helping or hindering others in being their authentic selves?
