

Take Your Research Study or Lab online with a Professional Website by Shawn Wright

I am a UAB-approved web and graphic designer who can build you a website to impress your clients and increase your online visibility. Best of all, it will be made on UAB's WordPress platform in partnership with UAB Digital Strategy and Marketing.

I have been a graphic designer for over 35 years and have been building websites since the internet became accessible. You can check out some websites I have created in my [portfolio](#).

Do you still need convincing? Let's schedule a call. You can email me at shawn@shawnwright.net, or call me directly at **205.223.4415**. Let's talk about what you are looking for in a site. How you need it to work for you, and what concerns you may have. Best of all, the call is FREE! And there is no obligation to work with me.

So let's get started. Call me at 205.223.4415 or email me at shawn@shawnwright.net to schedule a free consultation.

Website Costs

Every website is different, but you can expect your website cost to fall into these ranges.

Up to 7 pages: \$3,000 - \$3,800

8-15 pages: \$4,000 - \$5,300

Over 15 pages: \$5,600 +

If you require unique functionality on your site, call for a quote.

Do you need help writing copy for your website or just heavy editing? I can also provide those services at a rate of \$125/hour.
