Please read statement before you sign:

I have read and understand the rules and regulations governing parking as presented on the Transportation website located at uab.edu/transportation/policy. I agree to abide by these regulations while operating and/or parking a motor vehicle on the UAB campus. I understand that parking citations which are unpaid or are not appealed to the Appeals Panel by the date indicated on the face of the citation are delinquent. I understand that the amount of the fine and a late payment fee will be payroll deducted if citation is not paid by due date.

I understand UAB Transportation will make every effort to deduct my delinquent parking fee from my payroll check using my employee ID. However, if this deduction cannot be made, I authorize the department to payroll deduct any outstanding amount once the deduction can be established.
