

Student ADA Parking Application

Items in **RED** must be completed by student.

Student ADA Parking Instructions

1. Specialized ADA permits are required to park in any non-public ADA accessible parking space managed by UAB.
2. To obtain a permit, you must have been accepted by UAB and have created a BlazerID.
3. Complete this application.
4. Acknowledge the policies and regulations by signing this application.
5. Upload the application to the UAB Parking Portal, in the appropriate location.
6. UAB Transportation staff will review and contact requester via email regarding status.

Note: State-issued ADA registration and placard must be in the student's name to obtain permission to park in ADA accessible parking managed by UAB. Furnishing false information, or forging, counterfeiting, or altering documentation to obtain ADA parking are violations of the Student Conduct Code (<https://www.uab.edu/students/accountability/policies/student-conduct-code>).

Please read statement and sign to acknowledge consent:

I have read and understand the rules and regulations governing parking as presented on the UAB Transportation website located at uab.edu/transportation/policy. I agree to abide by these regulations while operating and/or parking on UAB property. I understand that unpaid parking citations, which are not appealed under current protocols, are considered delinquent. I understand that UAB Transportation may deduct fines and delinquent fees through payroll deduction, if not paid by the due date. If payroll deduction cannot be made immediately, I authorize UAB Transportation to payroll deduct any outstanding balances at the time a deduction can be established.
