How to spot phishing websites and/or phishing emails

Brought to you by
Andrew Whitfield
- one of the Student Techs in MT-403

SITUATION:

We receive phishing and scam emails here at UAB DOPM every so often. Here's a quick quiz to help you identify what sites are real and what sites are scams!

SOLUTION:

1. There are 14 quick "Phish or Real" questions so it should only take you about 2 minutes.

2. https://www.opendns.com/phishing-quiz/

P.S. The site above is not a phishing site ;)
