

## How to have somewhat professional Videos

### SITUATION:

It might be nice to have a video of a presentation (or other event).  
I could add it to a website, or use as one of my tools to disseminate information or recruit people.

But I would need some basic editing done, and some professional-looking graphics added.  
Could someone in DOPM do that for me?

### SOLUTION:

Yes, that's a good idea, and I (Rich) can help with that.  
Give me a call at 934-7662 to discuss more.
