SITUATION:

I want a free way to learn new skills at my own time and pace – including computer skills. (But also many more: such as business, photography, marketing, etc.)

SOLUTION:

Take advantage of “Lynda” (<http://uab.edu/Lynda>): “A leading online learning platform that helps anyone learn business, software, technology and creative skills to achieve personal and professional goals.”

It's normally \$20-\$30 or more per month, but it's free to most UAB employees (“designated benefit eligible employees”).

Login using your Blazer Info.
