Subject: Computer Tip of the Week -- How to get an email address for your study

How to get an email address for your study (or group, etc)

Tech (now in MT-403)

SITUATION:

My study needs its own email address.

SOLUTION:

Do you have a study (group or project or whatever) that needs its own @uabmc email address, like XYZstudy@uabmc.edu ?

We can help make that happen ☺
Just contact me (Lisa) at dopmHelp@uabmc.edu to proceed.

(Note: There's no cost for this at all.)

Was this helpful? Do you have suggestions for a future Tip of the Week? Do you have any other comments?
