Subject: Computer Tip of the Week -- Scientific Calculator on iPhone

You already have a Scientific Calculator on your iPhone

Brought to you by

Lisa Schwaiger

- DOPM HelpDesk Triage and
Computer Tech in MT-403

SITUATION:

It's nice that I have a little calculator on my iPhone that does basic calculations, but I need something that does more, like a scientific calculator.

SOLUTION:

Actually, you already have that; just turn it on its side.

It's super simple, but you can read more about it here if you like:

<https://www.iphonelife.com/blog/31961/tip-day-your-iphone-has-scientific-calculator>

Was this helpful? Do you have suggestions for a future Tip of the Week? Do you have any other comments?
